Education

Indian Institute of Information Technology Vadodara (IIIT Vadodara) **2025 - Present**
Masters In Computer Application (MCA)

Class XII (CBSE Board - Jawahar Navodaya Vidyalaya) **2021**
Score: 76.4%

Class X (CBSE Board - Jawahar Navodaya Vidyalaya) **2019**
Score: 76.2%

Projects

- **Railway Reservation System (C Programming)** *Sept 2025 - Nov 2025*
Dr. Venkata Phanikrishna B, Assistant Professor, Dept. of CSE, IIIT Vadodara
 - Built a menu-driven application in C to handle ticket booking, cancellation, and record management.
 - Used file handling and structures to store and manage passenger and booking data efficiently.
- **Chat Application Simulation (OOPs)** *Jan 2026 - April 2026*
Dr. Abhisek Paul, Assistant Professor, Dept. of CSE, IIIT Vadodara
 - Built a chat application simulation using C++ and OOP concepts such as inheritance, encapsulation and modular design.
 - Implemented message exchange between users with validation and login control mechanisms.
 - Used exception handling (try-catch) to handle errors like invalid user ID, empty input, and message overflow.
- **Online Movie Ticket Booking System (DBMS)** *Jan 2026 - April 2026*
Dr. Pramit Mazumdar, Assistant Professor, Dept. of CSE, IIIT Vadodara
 - Built a full-stack movie ticket booking system with real-time movie data integration using OMDb API.
 - Designed relational database in MySQL to manage users, bookings, and movie information efficiently.
 - Developed backend using Flask to handle ticket booking, data retrieval, and API integration.

Technical Skills

- **Programming Languages:** C, C++, Java, Python
- **Web Technologies:** HTML, CSS, JavaScript, jQuery, Bootstrap, Django, Flask, MYSQL
- **AI Tools:** Claude, Cursor, Antigravity, ChatGPT
- **Miscellaneous:** Git, GitHub, VS Code, Latex

Key Courses Taken

- Data Structures (Theory & Lab)
- Operating Systems (Theory & Lab)
- Databases (Theory & Lab)
- Object Oriented Programming (C, C++ & Java)

Hobbies

- Problem Solving and Coding Practice
- Learning New Technologies
- Practicing Yoga & Rope Jumping as a regular fitness routine
